MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: SA/DCI/IA

SUBJECT: Meeting with Judge Clark, 9 March 1983

1. The following topics are on your agenda for tomorrow's meeting:

25X1

-- Public Policy.

- Central America/Cuba. You had requested three things for your meeting with Judge Clark: 1) a copy of the New York Times article on the White House urging El Salvador to call elections this year.

25X1
25X1

These items are included.

25X1

I have also included talking points prepared by Dewey Clarridge on Cuba's efforts to improve relations with South American countries.

- CIA Role. Walt Raymond said that the NSC is a bit confused about CIA's role in the four committees set up under the NSPG as a result of NSDD-77. He stated that on the one hand CIA is to provide foreign intelligence as requested, on the other hand you (DDCI) have nominated a CIA representative to one of the committees. Perhaps you can clarify this apparent discrepancy. I have included a copy of NSDD-77 and highlighted relevant portions for your reference.

- Jack Anderson and the NIDs. Walt Raymond informed me that NSA asked the Justice Department to revisit the case of Jack Anderson and his possession of 1975 to 1976 NIDs. Walt stated that the issue was raised in 1979 but no action was taken. It was raised again under this Administration and CIA recommended that nothing be done. Stan Sporkin has provided papers on this issue: one by him arguing against taking action and one by [] arguing for action. 25X1
- Soviet Defense Spending: An NIE? Walt Raymond raised the question of a proposed NIE on Soviet defense spending. I informed him that an agreement had been worked out between CIA and DIA to work on their differences on Soviet procurement estimates. I told him I believed that an NIE was no longer under consideration by these parties. He said that people at the NSC were unaware of this. Clarification of the status of this proposal is needed.
- Papal Assassination: The D'Amato Letter. D'Amato met with Clark last month and gave him a memo on his two trips to Rome and his discussions of the Papal assassination attempt. Clark had no comment at the time but said he would pass it to you (DCI) for comment. Two weeks later Walt Raymond sent it to CIA. [] briefed Walt on the substantive problems and inaccuracies involved with D'Amato's memo. You may wish to inform Clark of your (DCI's) last meeting with D'Amato and the subsequent published accusations made by D'Amato. 25X1
